Chapter 5: Residues; risk to consumers

Category: Plant protection products

Important changes with the last version of the E.M.

Evaluation manual PPP NL part Chapter 5 Risk to consumers Version 2.0; January 2014	Evaluation manual PPP NL part Chapter 5 Risk to consumers Version 2.1; October 2016
	This document is not relevant. All relevant information are included in EU part.

For aspect residues no specific national data requirements are requested. The general EU Evaluation Manual Chapter 5 Residues: residue dossier describes the data requirements and how there should be evaluated in the EU framework under [Regulation \(EC\) No 1107/2009](#). No additional Evaluation Manual NL part is required.
