Chapter 6 Fate and behaviour in the environment; behaviour in soil; persistence

Category: Plant protection products

Important changes with the last version of the E.M.

Evaluation manual PPP NL part Chapter 6 Persistence Version 2.0; January 2014		Evaluation manual PPP NL part Chapter 6 Persistence Version 2.1; October 2016	
		All document	This document is not relevant. All relevant information are included in EU part.

For the aspect persistence no specific national data requirements are requested. The EU Evaluation Manual Chapter 6 Persistence describes the data requirements for the active substance and for the plant protection product and how the risk assessment should be performed following EU [Regulation \(EC\) No 1107/2009](#). No national Evaluation Manual is required.
